## Abstract:

Shafiq-ur-Rehman is renowned as humorous writer in the world of literature, with the different diction of pleasant simple and impressive writings. His writings got have the expression of loud laughter but have a very pleasant smile and beauty of lips service. He has extempore smiling impression with quality of romantic expression. His short stories based upon the refraction of Pakistani society decline humanity pains, worries, disappointments, resulted own the defeated, broken love sequence. His art of writing not only produce his dynamic personality but also criticise as sharp style on the trends of the society in his pleasant manners. He explore the natural psychological problems of a person with the help of past memories. He writes on social issues, cultural values and traditions in perspectives of tragedy of human society. But his style of writing is so pleasant that a reader soon come out from atmosphere of worries and disappointments. His writings reflect the tragedy and comedy of a nature and human society, side by side decorated with freshness and pleasantness of life. We can take him as writer of the
people as Nazir Akbar Abadi the poet of common man. In this essay it is described psychological and artistic merits, social and cultural awareness, and human attitude of middle class are being discussed accordingly.(1)
